BANGALORE, THURSDAY, OCTOBER 29, 1931.

PART III--Section 1.

NOTIFICATIONS BY GOVERNMENT.

CHIEF SECRETARIAT.

No. O. 832, *dated* 30*th September* 1931.

The New Indian Guests' Quarters, Mysore, will be closed to the public from the 17th to the 30th October 1931, both days inclusive.

No. P. 2177—*Cts.* 36-31-5, *dated* 15*th October* 1931.

In continuation of Notifications Nos. C. 15 and 16—Cts. 209-29-12-13, dated the 10th October 1930, the Government of His Highness the Maharaja of Mysore are pleased to sanction the further retention of the Additional District and Sessions Court at Bangalore, until the date of the commencement of the Summer Vacation in the year 1932.

No. P. 2194—*Cts.* 1-31-21, *dated* 16*th October* 1931.

Under Section 37 of the Code of Criminal Procedure, Mr. B. S. Raghavendra Rao, M.A., *Ex-officio* First Class Magistrate, Madhugiri Sub-Division is invested with power to require security for good behaviour (Section 110, Criminal Procedure Code).

Under section 357 of the said Code he is also empowered to take down the evidence of witnesses in cases tried by him in his own hand in the English language.

No. P. 2279—*Cts.* 28-31-5, *dated* 17*th*—22nd *October* 1931.

The resignation of Mr. V. N. Srikanta Rao, Honorary Special Magistrate of the Bench Court at Gundlupet is accepted and under section 41 of the Code of Criminal Procedure 1904, the third class powers conferred on him in Notification No. P. 2517—Cts. 32-30-14, dated 6th November 1930, are hereby withdrawn.

No. G. 3074—Ft. 79-30-74, dated 13th October 1931.

The Government of His Highness the Maharaja of Mysore are pleased to declare, under the provisions of Section 4 of the Mysore Forest Regulation (XI of 1900), that it is proposed to constitute the areas, the boundaries of which are described in the schedule below, a State Forest, under the provisions of the said Regulation.

2. The Government of His Highness the Maharaja of Mysore are further pleased, under clause (c) of the said section, to appoint Revenue Sub-Division Officer, Sagar Sub-Division, to be the Forest Settlement Officer, who shall inquire into and determine the existance, nature and extent of any rights claimed by, or alleged to exist in favour of, any person in or over land comprised within such limits, or to any forest produce of such land, and to deal with the same as provided in Chapter II of the said Regulation, and the District Forest Officer of the Sagar Division, for the time being, to attend on behalf of Government to assist the Forest Settlement Officer in the inquiry.

3. The Government of His Highness the Maharaja of Mysore, are further pleased under the authority vested in them by Section 15 of the said Regulation, to appoint the Deputy Commissioner of the Shimoga District, for the time being, to be the Officer of the Revenue Department who shall hear appeals from the orders of the Forest Settlement Officer, under Sections 10, 11, 12, 13 or 14 of the Regulation.

Schedule.

District	Taluk	Hobli	Approximate area	Name of Block	Situation
			Acres Guntas		
Shimoga ..	Sagar ..	Kurur ..	6,881 15 or 10·76 sq. miles	Kudarur Block I.	The block is situated between the Sharavathi river and to the south of the proposed Vallagere Forest.

North.—Starting from the south-west corner of Survey No. 251 of Kudarur village, the line runs north-east through the same survey number to the south west corner of Survey No. 195 of the same village; then north-east through Survey No. 251, to the south-east corner of Survey No. 195, then north along the eastern boundary of the said Survey No. 195 meets the left bank of the river Sharavathi; then north-east along the said river bank to a distance of about 40 chains, to a point about 2 chains south from the south-west corner of Survey No. 197 of the same village; then south-east through Survey No. 251, to the north-west corner of Survey No. 250 of the same village, then east along the western, southern and eastern boundaries of Survey No. 250, to the south-eastmost corner of Survey No. 239 of the same village, thence north-east; the eastern boundary of Survey No. 239 and through Survey No. 251 to the north-eastmost corner of Survey No. 251, then north-east through Survey Nos. 251 and 79 of the same village to the eastern corner of Survey No. 99, along its eastern boundary then north-east through Survey No. 79 to the south-east corner of Survey No. 97, then north-east through Survey No. 79 to the south-east corner of Survey No. 86, then north along the eastern boundary of the said survey number to its north corner, then north-west through Survey No. 79, to the south-east corner of Survey No. 83, then east through Survey Nos. 79 and 77, to the south-east corner of Survey No. 54.

East.—Thence south-east through Survey No. 77, to the south-west corner of Survey No. 47; then south-east, and due east through Survey Nos. 77 and 39 along the Kudarur halla, to a distance of about 100 chains up to a point about 3 chains north from the north-west corner of Survey No. 37 of the said village, then south and south-east through Survey No. 39 and along the western boundary of Survey No. 37 and then again through Survey No. 39 to the south-west corner of Survey No. 32; then the line runs south-east through Survey No. 39, to the south-east corner of Survey No. 29 of Kudarur and then joins the cart-track leading to Brahmanvad Koppige village; then south and south-west along the said cart-track through Survey Nos. 39 of Kudarur and 16 of Malur villages, to the north-east corner of Survey No. 18 of the latter village; then west and south along the northern and western boundaries of Survey No. 18 and then south-west along the said cart-track to the north-east corner of Survey No. 495 of Kudarur village; then south-west and south along the northern and western boundaries of the said Survey number to the south west corner of Survey No. 494 of the said village; then south-east along the southern side of Survey No. 494 to its south-east corner, joining the Brahmanvad-Koppige cart-track; then south-west along the said cart-track to the north-east corner of Survey No. 475 of Kudarur; then the line runs north west through the said survey number to the north-east corner of Survey No. 474, then west, along the northern boundary of the said survey number, to its north-west corner; then south-west through Survey No. 473, to its south-west corner, where it meets again the above said cart-track, then the line runs south-west and north-west along the said cart-track, through Survey No. 495 to the eastern corner of Survey No. 463, then

north-west along the eastern boundary of Survey No. 463 to its north-east corner; then north-west through Survey No. 496, to the easternmost corner of Survey No. 471 of the same village; then north-west and south-west along the eastern and northern boundary of Survey No. 471, to its north-west corner; then the line runs south-west through Survey No. 285 to the south-west corner of Survey No. 470; then south through Survey Nos. 285 and 428 of the same village to the north-west corner of Survey No. 469, then courses along the western and southern boundaries of Survey Nos. 469 and the southern boundary of 467 of the same village; to the south-east corner of the latter survey number then due east through Survey No. 438 to the south-east corner of Survey No. 462, then south-east Survey No. 438 to the south-west corner of Survey No. 459; then south-east and east through west the Survey No. 438, along the southern boundary of Survey No. 459 to its south-east corner; then north through Survey Nos. 438 and 496, to the north-east corner of Survey No. 461 and then joins the river Sharavathi at a point about 2 chains north, from the north-east corner of Survey No. 461; then north-east and east along the right bank of the said river until it meets the south-west corner of Survey No. 50 of Malur village; then south-east along the southern and western boundaries of Survey Nos. 50 and 48 of the said village, to the south-west corner of the latter survey number, then south through Survey No. 9 of Malur to the south-west corner of Survey No. 58 of the same village; then east and north-east, along the southern boundaries of Survey Nos. 58 and 56, and through Survey No. 9 respectively to the south-east corner of Survey No. 52; then south-east through Survey No. 9; to the north-west corner of Survey No. 59; then in the same direction through the same survey number to the northernmost corner of Survey No. 238; then south-west through Survey No. 9 to the northernmost corner of Survey No. 8 of Malur; then south-west along the northern boundary of the said Survey No. 8 to its north-west corner; then south-west through Survey No. 9 to the north-east corner of Survey No. 228, then north-west through Survey No. 9 to the northernmost corner of Survey No. 221; then west along the northern boundaries of Survey Nos. 221 and 220 to the north-west corner of the latter survey number, then south-west through Survey No. 9 to its south-west corner *i.e.*, to the Gudi bhands of Malur and Kudarur villages; then the line runs north-west through Survey No 438 of Kudarur to the north-east corner of Survey No. 454; then along the northern boundary of the said survey number to its north-west corner; then south-west through Survey No. 438, to the north-east corner of Survey No. 437; then south-west and south along the northern boundary of Survey No. 437 and western boundaries of Survey Nos. 437 and 436 respectively, to the westernmost corner of the last named survey number, then south-east through Survey No. 438, to the south-west corner of Survey No 434; then south-east through Survey No. 429, to the north-west corner of Survey No. 430, and on to its south-west corner along its western boundary; then south-east through Survey No. 429 to the south-east corner of Survey No. 430; then along the eastern boundary of the said survey number to its north-east corner; then north through Survey No. 215 of Malur to the trijunction bhands of Survey Nos. 215 and 216 of Malur and 438 of Kudarur villages, then north-east through Survey No. 216 of Malur village to the south-west corner of Survey No. 217 of the said village; then south-east through Survey No. 216, to the south-west corner of Survey No. 223; then in the same direction through Survey No. 216 to its south-west corner then south-east through Survey No. 216, to the south-east corner of Survey No. 229, then south-east through Survey No. 211 to the south-west corner of Survey No. 195; then along the southern boundary of the said survey number in the same direction to its south-east corner; then south-east through Survey Nos. 211 and 193 to the south-east corner of Survey No. 192, along its southern boundary; then south-east and south along the western boundaries of Survey Nos. 189 and 60 to the trijunction bhands of Survey Nos. 193 and 60 and 188 of the same village; then west through Survey No. 211 to the northern-most corner of Survey No. 201 and then along its northern side and through Survey No. 211 to the north-west corner of Survey No. 210; then south through Survey No 211 to the south-west corner of Survey No. 210; then south-east through Survey Nos. 211 and 165 of the said village to the south-west corner of Survey No. 166, and on to its south-east corner along the southern boundary; then south-west along the eastern boundary of Survey No. 165 to the trijunction bhands of Survey No. 165 of Malur and 47 and 46 of Sankana Shanbhog village; then south-west through Survey No. 47 of the last named village to the south-west corner of Survey No. 36; then south-west through Survey No. 47 to the north-west corner of Survey No. 44; then south-west through Survey No. 47 to the north-west corner of Survey 46; then the line runs south-west through Survey No. 40 to the southern boundary of Sankana Shanbhog village to a point about 35 chains east from the trijunction bhands of Survey Nos. 48, 47 and 40 of the same village.

South.—Then the line runs north-west along the southern boundary of Sankana Shanbhog village, to the common bhands of Survey No. 48 of Sankana Shanbhog and 93 of Adagalale village; then west and south-west along the southern boundary line of the latter Survey No. to its south-west corner.

West.—Then the line runs north-west along the western boundary of the said village, to a point about 38 chains north-west from the south-west corner of Survey No. 96; then north-east through Survey Nos. 96 and 168 to the south-west corner of Survey No. 14 of the same village; then south-east through Survey No. 168 to the south-west corner of Survey No. 20; then along the southern boundary of Survey No. 20 to its southernmost corner; then south-east through Survey Nos. 45, 44, 93 and 92 of the said village to the north-east corner of the last named number, then north-east through Survey Nos. 93 of Adagalale, and 48 and 49 of Sankanna Shanbhog villages to the southernmost corner of Survey No. 78 of the latter village; then south-east through Survey No. 49 to the south-west corner of Survey No. 57; then south-east through Survey No. 49 to the south-east corner of Survey No. 57 and on to its eastern most corner along the southern boundary of the same survey number: then north-east Survey No. 49 to the south-east corner of Survey No. 50; then north-east along its eastern boundary to its north-east corner, then north-west through Survey No. 49 to the north-east corner of Survey No. 68 then north-east through Survey Nos. 49 and 32 of the same village to the southernmost corner of Survey No. 31; then through Survey No. 32 to the south east corner of Survey No. 31 and on to its north-east corner; then north-west through Survey No. 28, to the northernmost corner of Survey No. 29; then north-west through Survey No. 28, to the northernmost corner of Survey No. 26, then north through Survey No. 28 to the south-east corner of Survey No. 7 of the same village; then north-west and west along the eastern boundary of Survey No. 7, and northern boundaries of Survey Nos. 7 and 8 to the north-west corner of the latter survey number; then south-west through Survey No. 4 of Sankana Shanbhog Village to the trijunction bhands of Survey Nos. 4 and 94 of the above said village and 38 of Adagalale villages; then north-west through Survey No. 44 of Adagalale to the north-east corner of Survey No. 61, and on to its north-west corner along the northern boundary of the said survey number; then south-west through Survey No. 44, to the north-west corner of Survey No. 56 and on to the north-east corner of Survey No. 20; then north-east through Survey No. 44, to a point on the southern boundary of Survey No. 40 about 6 chains west from its south-east corner; then north-east along the southern boundary of the said survey number to its south-east corner; then north-east through Survey No. 45, to the south-east corner of Survey No 41; then north-east along the eastern boundary of the said survey number to its north-east corner; then north-east through Survey No. 44, to the north-east corner of Survey No. 42; then the line runs west through Survey No. 161 of Adagalale to the north-east corner of Survey No. 163; then north-west through Survey No. 161, to the trijunction bhands of Survey Nos. 97, 124 and 138 of the said village; then north-east along the eastern boundary of Survey No. 138 to its north-east corner; then north through Survey No. 160 to the north-east corner of Survey No. 148, and on to its southernmost corner along its north-eastern boundary; meets the Malur Halla; then north-east and north-west along the same halla through Survey No. 160 of Adagalale, and 436 and 320 of Kudarur villages to the south-east corner of Survey No. 330 of the last named village; then north-west through Survey No. 320, to the north-east corner of Survey No. 333; then west along the northern boundary of the said survey number to its north-west corner; then the line runs south-west through Survey No. 320, to the north-west corner of Survey No. 324 then south-west through Survey No. 320 to the north-west corner of Survey No. 319 of the said village; then south-east along the west side of Survey No. 319 to its south-west corner; then south-east through Survey No. 120 of Adagalale to the north-west corner of Survey No 156 of the said village; then south-east through Survey No. 120 to the south-west corner of Survey No. 146 and joins the Malur Halla, then south-west and north-west along the said Halla to a distance of about 54 chains to a point about 7 chains east from the south-east corner of Survey No. 117 of Adagalale; then the line runs north-west through Survey No. 120 to the northernmost corner of Survey No. 117; then west through Survey No. 120, to the north-west corner of Survey No. 120 of Adagalale village; then along the southern boundary of the last named survey number to the south-east corner of Survey No. 315 of the same village; then north-east through Survey No. 320 so as to touch the eastern most corners of Survey Nos. 317 and 318 of Kudarur village, then the line runs north-west along the north-eastern boundary of the said survey number to its northernmost corner then west through Survey No. 320, to the north-west corner of Survey No. 311 then south-west through Survey No. 320, to the 2nd north-west corner of Survey No. 311 then south-west through Survey No. 320, to the common bhands of Survey Nos. 320 and 321 of Kudarur at the south-west corner of the latter survey number then north-east west and north on to along the village boundary of Kudarur, until it meets the cart-track leading from Hebage to Malur village, at a point on the western boundary of Survey No. 303, about 32 chains south-west from its north-west inner most corner; then east along the right side of said cart-track to the south-west corner of Survey No. 300, and on to its south-east corner; then along the said cart-track to the southernmost corner of Survey No. 302; then south-west through Survey Nos. 303 and 304 to the north-west corner of Survey No. 305 and on to its south-west corner along its western boundary; then south-east through Survey No. 304, to the southernmost corner of Survey No. 305;

then north-east through Survey No. 304, to the south-east corner of Survey No. 306 then north-east along the south-eastern boundary of Survey No. 303 to its south-east corner; then north-east through Survey No. 334, to the south-west corner of Survey No. 353; then south-east along the western boundary of Survey No. 352 to its southernmost corner; then south-east through Survey No. 334 and joins the cart-track leading from Kudarur to Malur village at a point about 5 chains south-east from the south-west corner of Survey No. 417; then the line runs south-east and north-east along the said cart-track, through Survey Nos. 334 and 320 to the south-east corner of Survey No. 335; then north-west along the eastern boundaries of Survey Nos. 335, 336 and 337 and joins the Kudarur Halla in Survey No. 428, then north-east along the right side of the Halla till it joins the river Sharavathi at the northernmost corner of Survey No. 428; then south-east along the Right bank of the said river, to a distance of about 24 chains, to a point about 2 chains north-west from the north-west corner of Survey No. 422; then south-east through Survey No. 428 (touching the south-west corner of the said Survey No 422) to the south-west corner of Survey No. 426; then south-east through Survey No. 428 to the south-east corner of Survey No. 427; then north-east along the eastern side of Survey No. 427 to its north-east corner; then north through Survey No. 428 to the eastern and northernmost corners of Survey No. 422; then north-west through Survey Nos. 428 and 285 of the same village (along the northern sides of Survey Nos. 421 and 420 en route to the south-east corner of Survey No. 264; then north-east thorugh Survey No. 285, to the south-east corner of Survey No. 253; then north-west through Survey No. 285 to the north-east corner of Survey No. 253; then south-west along the northern boundary of Survey No. 253 to its north-west corner; then south-west through Survey No. 285, to the north-east corner of Survey No. 274 and on to its north-east corner along its northern boundary; then south-west through Survey No. 285, to the Kudarur Village boundary, to a point about 4 chains south-west from the westernmost corner of Survey No. 275 then north-west along the said village boundary to the starting point.

Schedule.

District	Taluk and Hobli	Approximate area	Name of Block	Situation
		A. g.		
Shimoga ..	Sagar Taluk and Karur Hobli.	4,427 35 or 6·9 square miles.	Kudarur Block II	The block is situated between the river Sharavathi and the proposed Vallagere Block in Sagar Taluk.

North.—Starting from the south-west corner of Survey No. 42 of Kudarur village, the line runs north-east along the southern boundary of the said survey number for 6 chains and then straight through Survey No. 40 to the south-east corner of the former survey number; then north-east along the north-western boundary of Survey No. 40, to its northernmost corner; then south-east through Survey No. 77, to the common bandhs of Survey No. 77 of Kudarur and 80 of Brahmanavadkeppige villages; then south-east through Survey No. 38 of Brahmanavadkeppige to the mid top corner of the southern boundary of the same survey number, then north through the same survey number to the 2nd north-west corner of Survey No. 80; then south-east through Survey No. 80 of Brahmanavadakeppige, to the south-west corner of Survey No. 59 and on to its southernmost corner; then east through Survey No. 80, to the southernmost corner of Survey No. 63; then north-east through Survey No. 80 to the south-west corner of Survey No. 69; and on to its south-east corner along its southern boundary, then north-east through Survey No. 80, to the south-east corner of Survey No. 77, then south-east through Survey Nos. 80 and 93, to the north-west corner of Survey No. 87; then south-west through Survey No. 93, to the northernmost corner of Survey No. 91 and then courses along its northern, western and southern boundary up-to its southernmost corner, then north-east through Survey No. 93 of the same village to the south-east corner of Survey No. 86, then south-west through Survey Nos. 93, 111 and 110, to the north-west corner of Survey No. 94; then south-east along the southern boundaries of Survey Nos. 94, 95 and 96, to the southernmost corner of Survey No. 98; then south-east through Survey No. 110, to the south-west corner of Survey No. 108 of the same village; then east along the southern boundary of the said Survey No. 108 to its south-east corner; then south-east along the southern boundary of Survey No. 240 of Chinnali village to the south-west corner of Survey No. 239 of the same village; then east through Survey No. 222 of the said village to the south-east corner of Survey No. 254, touching enroute the southernmost corner of Survey No. 252; then south-east along the western boundaries of Survey Nos. 43, 20 and 21 of the same village to the north-west corner of Survey No. 48; then in the same direction

along the western boundary of Survey No. 48, to its south west corner; then east along the southern boundary of the said Survey No. 48, to its south-east corner and meets the river Sharavathi on its left bank; then south and north-east along the said river bank to the south-east corner of Survey No. 58; then north-west through Survey No. 43 to the easternmost corner of Survey No. 44; then north-east through Survey No. 43, to its north-east corner on the village boundary of the said village (Chinnaly).

East.—Then the line runs south-east along the common boundary between Chinnaly and Hirikere villages to the right bank of the river Sharavathi, then south-west of along the said river bank, to the north-west corner of Survey No. 60 of Chinnali village, then south through Survey No. 59, to the north-west corner of Survey No, 81 · then south-west through Survey No. 117, to the north-west corner of Survey No. 82, then south-east along its western boundary to its south-east corner; then south-east through Survey No. 146, to the south-west corner of Survey No. 145; then south-east through Survey No. 143, to the westernmost corner of Survey No. 128; touching enroute the southern limit of Survey No. 136; then south-east through Survey No. 143, to the north-west corner of Survey No. 124; then south-west through Survey No. 120, to the north-west corner of Survey No. 123; then south-west through Survey No. 120, to north-west corner of Survey No. 121 and on to its south-west corner in the same direction, then south-east through Survey No. 120, to the south-west corner of Survey No. 119 of the same village; then south-east through Survey No. 9 of Brahmanatalagodu village to the south-west corner of Survey No. 10, of the same village, then south-east through Survey Nos. 9 and 16 of the same village, to the western boundary of the last named survey number to a point about 10 chains north-west from the southernmost corner of Survey No. 16.

South.—Then the line runs north-west along the village boundary of Brahmanatalagodu village to the trijunction bhands of Survey Nos. 9 and 16 of the said village and Survey No. 60 of Malur; then south-west along the Malur village boundary to the north-west corner of Survey No. 113 of the same village; then north-west through Survey No. 60, to the north-east coner of Survey No. 61 and on to its northernmost corner along its north-eastern boundary; then west through Survey No. 60 to the north-west corner of Survey No. 62; then south-west through Survey No. 60, to the north-east corner of Survey No. 83; then along its northern boundary to its north-west corner; then south-east along the western boundary of Survey No. 84; and through the same survey number to its south-east corner; then south-west along the northern boundary of Survey No. 85, to its north-west corner; then north-west through Survey Nos. 60, 189 and 193, to the north-east corner of Survey No. 190 of Malur village, then north-west through Survey No. 193, to the northernmost corner of Survey No. 191; then south-west through Survey Nos. 193 and 211 of Malur, to the south-east corner of Survey No. 195 of the same village.

West.—Then the line runs due north through Survey Nos. 211 and 193 of Malur village to the south-east corner of Survey No. 255; then north-west through Survey No. 60, to the north-east corner of Survey No. 237; then north-west along the northern boundary of the said survey number, to its north-west corner; then north-west through Survey No. 9, to the north-east corner of Survey No. 238; then the line runs north-west through Survey No. 9; to the north-east corner of Survey No. 52, leaving Survey No. 59 to its right; then north-west through Survey No. 10, to the north-east corner of Survey No. 39; then courses along the western boundary of Survey No. 11, to the north-east corner of Survey No. 36; then north-west through Survey No. 11 to the southernmost corner of Survey No. 12, then north-west along the western boundary of Survey No. 12 to its north-west corner; then north-east along the southern boundary of Kudarur village to the gudi bhands of Kudarur, Chinaly and Malur villages; then south-east through Survey No. 227 of Chinaly village of the south-west corner of Survey No. 228; then in the same direction through Survey No. 227, to the gudi bandhs of Chinaly and Herasalige villages at the north-west corner of Survey No. 30 of the latter village; then south-east through Survey No. 30 to the north-west corner of Survey No 31; then in the same direction through Survey No. 30 to the south-west corner of Survey No. 38; then south-east through Survey No. 39 to the south-west corner of Survey No. 41; then south-east through Survey Nos. 39 and 47 to the south-west corner of Survey No. 46 of the same village; then the line runs south-west through Survey Nos. 47 and 48 to the north-west corner of Survey No. 49; then in the same direction through Survey No. 48 to the north-west corner of Survey No. 27 and on to its south-west corner along its western boundary; then south through Survey No. 48 to the south-west corner of Survey No. 23; then south-east through Survey Nos. 15 and 14 of the said village to the south-west corner of Survey No. 12; then south-east along the western boundary of Survey No. 13 to its south-west corner; then south-east through Survey Nos. 10 and 8 to the south-west corner of Survey No. 6, then along the southern boundary of Survey No. 6 to its south-east corner; then north-east in a straight line through Survey Nos 8 and 7 of the same village to the south-east corner of Survey No. 5 and on to its north-east corner along western boundary of the said Survey No. 7; then north-west through Survey Nos. 7, 4 and 3 to the south-east corner of Survey No. 2 of the same village; then north through Survey No. 3 of the same village to its north-east corner and the gudi bhands of herasalige and Heggasara villages;

then the line runs north-east through Survey No. 13 of Heggasara to the south-east corner of Survey No. 12 of the same village; then north-west along the eastern boundary of the said survey number to its north-east corner; then north-west through Survey No. 13 to its north-west corner; then north-west through Survey No. 1 of the said village to its north-west corner, where it meets the river Sharavathi; then courses along the right bank of the said river to the southernmost corner of Survey No. 219 of Chinaly village; then south-east through Survey No. 148 of the same village to the south-west corner of Survey No. 150; then north-east through Survey No. 148 to the south-east corner of Survey No. 163; then north-west through Survey No. 59 to the north-east corner of Survey No. 177; then north-west across the river Sharavathi to the southern most corner of Survey No. 218 on the left bank of the said river; then north-west and south-west along the said river bank to the south-east corner of Survey No. 210 of the same village; then north-west through Survey No. 218 to the north-east corner of Survey No. 217; then west through Survey Nos. 218 and 222 of the same village to the north-east corner of Survey No. 221; then south-west along its north western boundary to its south-west corner; then south-west through Survey Nos. 222 of Chinaly and 30 of Herasalige villages to the westernmost corner of Survey No. 44 of the latter village; then north-west through Survey Nos. 30 of Herasalige and 222 of Chinaly villages to the north-east corner of Survey No. 238 of the latter village; then north-west along the northern boundary of Survey No. 238 to its north-west corner and joins the cart-track leading from Kudarur to Brahmanakeppige villagers; then south-west along the right side of the said cart-track in Survey No. 222 of Chinaly until it meets the north bank of the river Sharavathi; then north-west up along the said river bank to the north-east corner of Survey No. 13 of Kudarur village; then north-west through Survey No. 39 of the same village to the north-east corner of Survey No. 1; then along the northern boundaries of Survey Nos. 1 and 2 of the same village to the north-west corner of the latter survey number then west through Survey No. 39 to a distance of about 9 chains and joins the Kudarurhalla in the same survey number then north-west along the same halla through Survey Nos. 39 and 77 of Kudarur to the starting point.
